

Diabetic Shoe Solutions to Fit a Growing Patient Need

**Stride Lite™ Diabetic footwear is now available at preferred pricing
For American Pharmacies members. Bring your patients the comfort, quality
& value of Stride Lite™ with a cost-effective turnkey solution.**

Diabetes afflicts 25 million+ Americans — more than 8% of our population — and is the 7th highest cause of death. An aging population and rising obesity mean you must have an effective Diabetic Shoe Program to be competitive. American Pharmacies has contracted with Stride Lite™ to offer a turnkey program that will fit your pharmacy's unique needs. Stride Lite™ backs its high-quality products with unbeatable Customer Service Support. This turnkey program includes complete training on sizing, fitting, ordering, compliance and billing for diabetic shoes & inserts.
